Research Experience

Research Assistant

Kadir Has University – İstanbul, Turkey

July 2020 – present

Responsibilities:

As the assistant of a TÜBİTAK project, I am responsible for data handling and communication with participants. Furthermore, I assist the research activities, keep record of the project's progress, enable the coordination among researchers, and follow up the administrative processes.

Lab Manager

Department of Psychology

Kadir Has University. Moral Intuitions Lab. – Istanbul

July 2019 – Present

Responsibilities:

In the Moral Intuitions Lab (MINT lab.), I studied under the supervision of Dr. Onurcan Yılmaz, focusing on meta-ethics, free will and moral psychology. I am currently helping other experiments and studies in the laboratory. I also actively participate and regulate the regular laboratory meetings. Also, I am participating in literature discussions and lab members' studies, reviewing papers of lab members to help them improve, and developing and executing research ideas. Lastly, we are currently running several projects such as Climate change and free will.

Research Assistant

Department of Psychology

Portsmouth University – England,

July 2018 – September 2018

Erasmus+ Internship

Responsibilities:

During the internship, I studied under the supervision of Dr Marina Davila Ross. I mainly observed chimpanzees, assessing their behaviors in a semi-experimental field on videos and coding their behaviors systematically for evolutionary inferences in the ongoing research.

Research Assistant

Department of Psychology

Boğazici University, Psychobiology lab. – Istanbul

October 2017 – May 2018

Responsibilities:

As a part of the research group, I attended weekly lab meetings and took part in studies conducted in Psychobiology lab.

Teaching Experience

Teaching Assistant

PSY 301 – Measurement and Assessment

Kadir Has University – Istanbul

September 2020 – Present

Responsibilities:

Assisting in exams and assignments, also helping students improve in understanding and using SPSS and JAMOVI.

Teaching Assistant

Kadir Has University – Istanbul

September 2019 – Present

Responsibilities:

Helping faculty members with exams and assignments.

PROFESSIONAL EXPERIENCE

Summer Research Assistant/Internship

Child Psychiatry Service

Umraniye Public Hospital – Istanbul

July 2017 – August 2017

Responsibilities:

Mainly observing the patients and working on an ongoing project run by the supervisor psychiatrists in the hospital. The project focused on autistic children's development and progress of the disorder, and patient's families.

Work Experience

Accounting Manager

SIGMA TELECOM – Istanbul / Turkey

March 2019- June 2019

Responsibilities:

I worked in the sales department in the VoIP sector in this company, where I worked for a short period. In general, in this post I learned about the telecom world and learned programs such as 5g and Odine.

CAMPUS INVOLVEMENT

Accountant

Psychology Club

Dogus University

2016 - 2017

Responsibilities:

I helped in accounting project funds that have been conducted by the Dogus University psychology club. Also, I run a project called psychology related movie days, in which psychology professors and lecturers made a panel for the commentaries and analysis of movies.

Services

II. Social Psychology Conference Organization Committee, December 2019

Current Projects

I am conducting a research on effect of the different type of morality on retributive punishment with Dr. Hasan G. Bahçekapılı and Dr. Onurcan Yılmaz (In data analysis process).

Also we are conducting a research on Climate change and anti vaccination attitudes' relation with conspiracy theories in Moral Intuitions Lab. (Preregistered and in Data gathering process).

Other Activities

Türk Psikologlar Derneği (Turkish Psychological Association) "Cognitive Neuropsychological Assessment" course (Öget ÖKTEN)

Ulusal psikoloji kongresi (Internation Psychology Congress) 2016
